- Globally, many firms have adopted Tally accounting software as a part of their financial management system.
- Tally software has been updated according to the current requirements. Hence, when the requirements increase, new features will be added up to the existing one.
- As long as firms as there, the scope of Tally ought to increase. Hence, learning Tally related course helps the candidate in making their future bright.

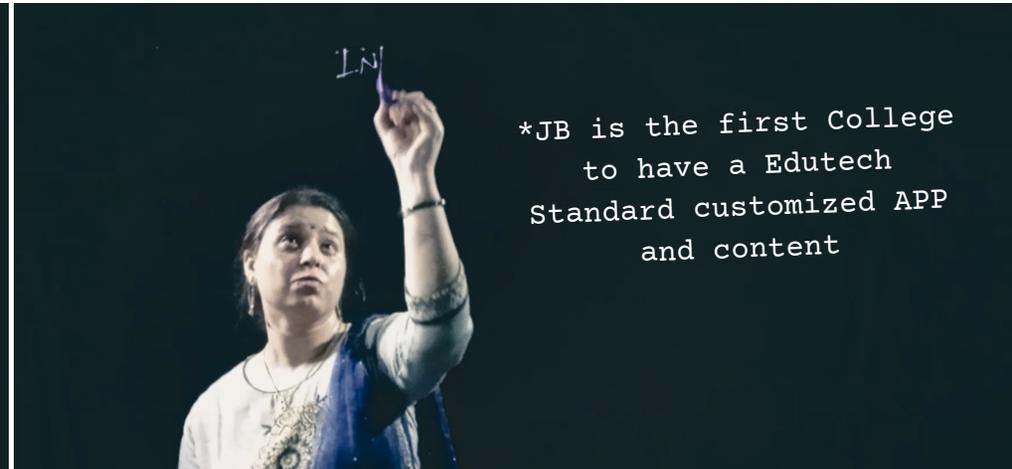

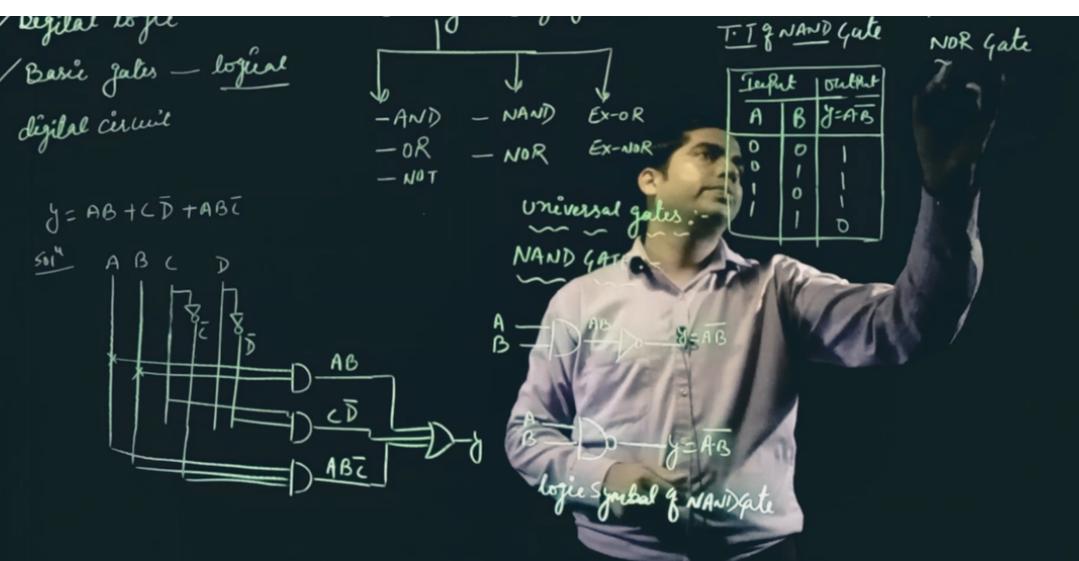

COMPUTER INTEGRATED MANUFACTURING
CIM components

Nine major elements of a CIM system are

- Marketing
- Product Design
- Planning
- Purchase
- Manufacturing Engineering
- Factory Automation Hardware
- Warehousing
- Logistics and Supply Chain Management
- Finance
- Information Management
